

BOOKYOURDATA.COM EXTENDS ITS DATABASE WITH 'HEALTHCARE' CATEGORY

(Washington – July 2015)

BookYourData.com, the innovative Online List Building Tool service that provides premium business contact information to its customers made huge improvements to its database. The vast database that consisted millions of entries from many different industries now include many more contacts in a brand new 'healthcare' category. The new category will enable customers to create custom lists from many different categories such as physicians, doctors, dentists, chiropractors, veterinarians, pharmacists, registered nurses, nurse practitioners and physician assistants. The 'Doctors' and 'Physicians' categories can be filtered with many different specialties. These specialties include:

- Allergy and Immunology
- Anesthesiologists
- Cardiology
- Dermatology
- Diabetes
- Specialist
- Emergency
- Medicine
- Endocrinology
- Ears Nose Throat (ENT)
- Otolaryngology
